●The club’s next fun silhouette shoot will be on **December 17th**. Pistol matches have been added to the 3rd-Sunday fun silhouette shoots.

● One 4-H club has asked to shoot every Saturday for the rest of the year. The AMLGC directors have not yet decided on this request.

- Ten members at the Sept. 21st work party set railroad ties in place of the steel target stands on the 25 yard target line, cut the legs of the target stands shorter, spiked the ties down with the cut-off rebar, and drilled them to take the target frames.

This will have two benefits: We should not have any more ricochets, and shooters will now be aiming slightly downward, giving the same effect as if the berm was raised by two feet.

Upcoming AMLGC and other Events through-December: Events in *italics* are not at the AMLGC range.
