**October 26th work party:**

Eight members attended, and we had no volunteers to fix the tin roof. What did get done was mowing, weed whacking, and tree trimming. The tree behind the 25 yd. line with the dangerous broken top was taken care of by Roman Ivanov. Dennis Rich and Alan Pinel have perfected the baffles on the 100 yard line, whose purpose is to prevent people seated at a bench from accidentally shooting over the berm. Please take a look at them and give feedback.
